

# *From the desk of Howell Township Mayor and Council*

May 15, 2014

Dear Fellow Republicans,

Howell Township's Mayor William Gotto and Council are writing to you with our utmost support and endorsement of Shaun Golden for Chairman of the Monmouth County Republican Organization. We have worked closely with Shaun over the past five years as Sheriff of Monmouth County and he has demonstrated the devotion, resiliency and confidence the Republican Party needs to overcome the challenges we face ahead.

Shaun has proven his ability to work collaboratively with others, exploring new and innovative ways to communicate with citizens and voters. He is an effective, efficient leader who can inspire, unify and motivate everyone around him.

Shaun is a proven fundraiser, having raised substantial dollars for campaigns as well as charitable organizations throughout the County and State. Shaun has provided tremendous leadership to our municipalities, not only working with towns to rebuild after super storm Sandy, but also helping municipal candidates with financial and personal support. Shaun leads with the dedication, charisma and conviction that can move the masses.

Shaun's proven leadership and vision will ensure that we can continue to meet the needs of our organization. We, the Monmouth Republicans, have much to be proud of and thankful for. We owe a great deal of gratitude to so many past Chairman and Chairwoman who have led this organization on a mission we all believe in and each time leaving it a little better for the next Chairperson. We believe the best days still lie ahead and look forward to a greater future under Shaun's leadership.

We ask each of you to please join us in voting for Shaun Golden on Tuesday, June 10th for Monmouth County Republican Chairman and make the Monmouth County Republican Party even better than it is today.

Thank you for your attention,

William Gotto, Mayor  
Robert Nicastro, Deputy Mayor
