Dear County Committee Member:

It is with great excitement that I announce my candidacy for Monmouth County Freeholder. Having served on the Holmdel Township Committee for the past 9 years, I have the experience and dedication necessary to now serve the Monmouth County community as a member of the Board of Chosen Freeholders.

Public service has been a cornerstone of my adult life. As an educator and academic innovator, I worked tirelessly to provide students with new opportunities for success. As a community volunteer, I have dedicated countless hours in our great county nurturing a more unified, cooperative environment. In addition, as an elected official, I have proven to be a passionate advocate, not only for the people of Holmdel, but for citizens across Monmouth County as well.

In 2008, after serving for many years on the Holmdel Township Board of Education, I was honored to have been elected to the Holmdel Township Committee. I first served as Deputy Mayor until 2010, then Mayor from 2011 until 2015. Since then, I have continued my service as a Township Committeeman, further advancing the themes of transparency, community, and collaboration that have defined my public life. But my tenure on Holmdel's governing body also provided me new and diverse opportunities to lead – among the many roles I inhabited, I was Chairman of the Budget & Finance Committee, Co-chair of the Administrative and Lucent Technology Committee and Chairman of Holmdel Recreation. My philosophy was, at all times, to keep taxes under control, encourage intelligent growth while preserving open space, and maintaining our superb quality of life. Most importantly, I have fulfilled my obligation to the

residents of Holmdel, ensuring they are happy with the community in which they live. I intend to bring this same type of energy, enthusiasm, and dedication to the position of County Freeholder.

In addition to my service to the people of Holmdel, I have worked enthusiastically to support the Monmouth County Republican Organization through our many fundraising activities and grass roots organizing efforts. I have seen first-hand, in recent years, the great challenges we face both at the municipal and county levels from a Democrat Party that is flush with cash and willing to do anything it takes to win. I am ready to work hard to earn the support of voters all across our beautiful County through old-fashioned door-to-door outreach, as well as more modern methods of social media communications. It is my sole mission to ensure that we keep Monmouth County in Republican control now and in the years to come.

I would be honored and privileged to have your support for my candidacy at the Monmouth County Republican Convention on March 18, 2017 at iPlay America, 110 Schanck Road in Freehold. Attached is my resume – I would be happy to speak with you about my candidacy at any time. You can call me at 732.946.0652 or email me at pimpreveduto@verizon.net. I look forward to seeing you at the Convention!
