Re:Sept. 7, 2020 RFAI: Amended July Quarterly Report

Mr. Dobi:

Please find the point-by-point response to the above-mentioned Request For Additional Information, dated September 7, 2020.

1. Contributions from Possible Prohibited Entities:

A. Dora Radiology Associates Inc: Check received 06/28/2020 in the amount of \$300. The check was a corporate check. The check was refunded in July 2020 and will be disclosed in the October Quarterly filing.

2. Apparent Excessive Contributions from Individuals:

A.Dauti, Adzi 6.26.2020 contribution of \$2800 was designated as the following: \$1,300 for the primary and \$1,500 was re-designated for the general. The July Quarterly filing will be amended to show this in preparation for the October Quarterly filing.

B.Lessing, Sharon:

a.The RFAI Does not acknowledge the \$500 contributed on 3.30.2020, though it appears in Committee?s software. With this contribution included, the following has occurred:

- i.The 6.30.2020 contribution of \$500 was refunded. The 3.30.2020 contribution of \$500 was refunded. These will appear in the October Quarterly filing.
- ii.The 6.30.2020 contribution of \$2800 was re-designated towards the General. The July Quarterly filing will be amended to show this in preparation for the October Quarterly filing.

C.White, Pamela

a.The following contributions were received via Actblue and were errantly bulk uploaded as primary contributions. Upon learning of this error, these were designated to the General Election. The July Quarterly filing will be amended to show these changes.

- i.5.25.2020 for \$75
- ii.6.25.2020 for \$75
- iii.6.27.2020 for \$150
- iv.6.28.2020 for \$100

3. Contribution from Possible Unregistered Organization

A. Ocean County Democrats 6.18.2020 was refunded in 3Q. Committee was unable to secure proof of ?permissible source of funds.? This refund will appear in the October Quarterly Filing.

4. Amended 48-Hour Reports for Joint Fundraising Committee Activity:

Committee acknowledges the guidance from the FEC. Treasurer entered the date received from the Joint Fundraising Committee as the contributions? date rather than the date the contributions were received by the Joint Fundraising Committee. Upon noticing the error, amended 48-hour Report filings were promptly submitted by this Committee, independent of agency prompting, in furtherance of the interests of accuracy and transparency.

5. Increased Reporting Activity Clarification

Per the RFAI?s enumerated point number ?5,? increased reporting activity was provided in the Amended July Quarterly

filing. In response to the Federal Election Commission?s request for clarifying the circumstances surrounding the same, the following explanation is provided. The Treasurer was unaware that these receipts were initially received before the end of the quarter as they were in control of the Campaign Committee. The Committee?s campaign staff is located in New Jersey while the Treasurer is located in Washington, DC. Accordingly, these receipts were not entered as 2Q receipts into the software, rather they were entered as 3Q receipts since the Treasurer became aware of them in 3Q. However, upon learning from the candidate and campaign manager that, in fact, these were initially received by the Committee before the end of 2Q, and after consulting counsel to confirm the propriety of amending both the July Quarterly filing and the relevant 48-Hour Report, the filings were promptly amended to accurately reflect the 2Q receipt date. Again, these corrections were self-initiated by the Committee in the interests of accuracy and transparency.
